

To Understand. . . .

- ◆ Read widely, tenaciously pursuing ideas of interest, remaining open to new interests;
- ◆ Gain insight after struggling for meaning;
- ◆ Read in order to reflect on ideas, remain open to new ideas while reading;
- ◆ Extend existing knowledge, beliefs and opinions;
- ◆ Manipulate thoughts to understand more completely;
- ◆ Consider multiple perspectives;
- ◆ Understand ways in which our beliefs and opinions have **changed** because of what we have learned;
- ◆ Engage in rigorous discourse about ideas;
- ◆ Remember what we read . . .
